

(MAKE MONEY WHILE YOU SLEEP!)

Automate Your Sales

HELLO, DARLING!

I'm so thrilled you signed up for the Automate Your Sales (Make Money While You Sleep!) Workshop! This is one of my favorite trainings because I spill the beans on how I've been able to create more freedom of time and money in my life! and business.

Before we start, make sure to check out the pre-call questions in this workbook and fill in your answers *before* the training. (After all, a successful woman comes prepared, right?!)

In order to get the most from the workshop, be prepared to give it your full attention. I have some incredible content that you're not going to want to miss .

And finally, thank yourself for signing up for this training. By signing up for this workshop, you've taken a huge step in the right direction towards the success and financial freedom we both know you're meant for.

Can't wait to speak to you!

Lots of love,

Beth xo

P.S. Want to know more about my signature group program Start-Up Society? I'm going to be telling you all about it on the workshop! You can also [click here](#) to learn more.

PRE-WORKSHOP

On a scale from 1-10, how clear are you on automating your business?

If your answer above was under a “10”, why do you think that is? What would improve your confusion? What would better understanding automation in business mean to you?

How are you currently trying to automate your business? If you haven’t launched, how do you plan on automating your business?

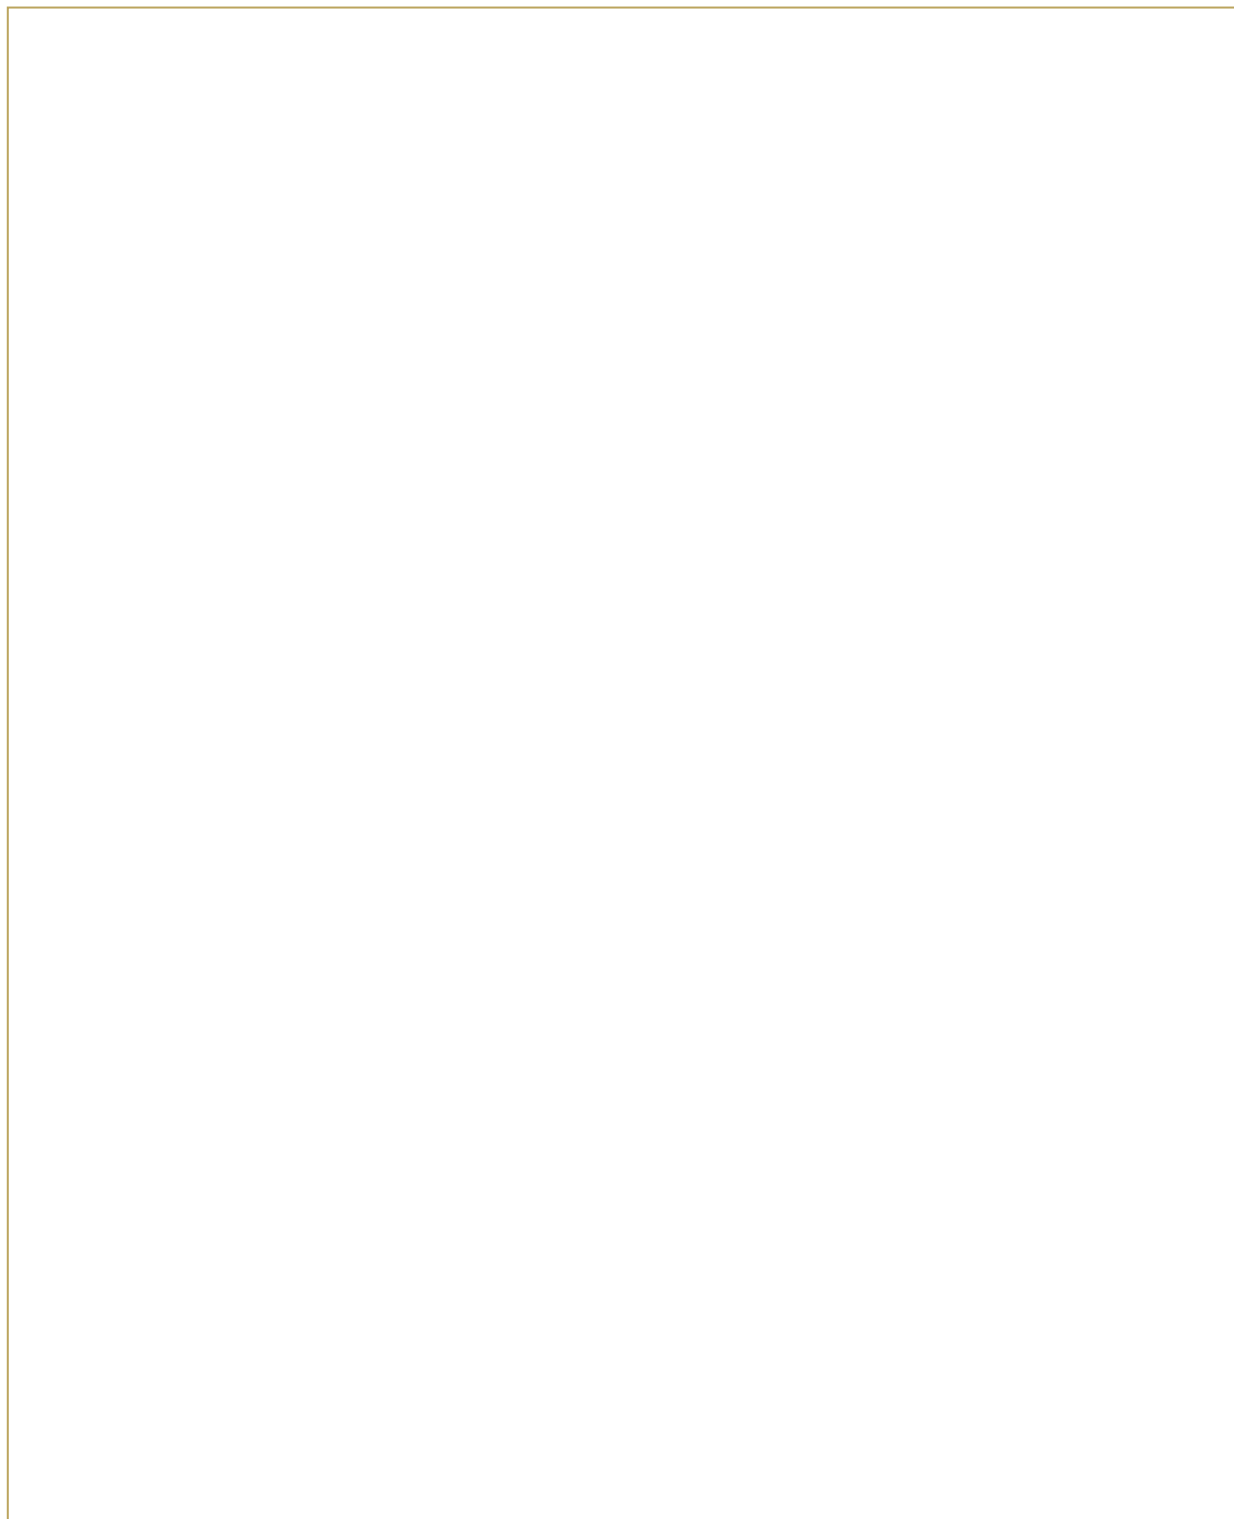

PRE-WORKSHOP

Why do you think automating your sales is crucial to your business?

What does automating your business look like? What specifically would you like to automate?

What are your intentions for this workshop? What do you want to get out of it?
